On March 30, 2009 Juki hit the jackpot in Las Vegas, winning a total of 6 awards at Apex - 2 Vision and 4 New Product Introduction awards. Independent panels of industry experts and engineers evaluated the many entries and in each case, found Juki's product to be a winner. Never in the history of these awards has a company had so many products recognized as the top in their class.

See for yourself why Juki brings quality and innovation to the market.
