

# JUKI

LOWEST COST  
OF OWNERSHIP

## **BUILT TO RUN** **INDUSTRY'S BEST WARRANTY**

*Our strengths of high quality, reliability, and outstanding service are recognized worldwide and are the leading factors to our success. We feel strongly if people take the time to try our machines, they'll discover the systems will sell themselves when put to the test.*

### **Why Use Juki Machines?**

- 3 year parts and 1 year labor warranty for the Americas and Europe
- Requires as little as 15 minutes per month of preventative maintenance
- Highly accurate, consistent performance over the life of the equipment
  - Ability to place parts down to 01005 (0402 metric)
  - Easy to operate with change over done in seconds

Whether you're running high volume, high mix, or a combination of both, Juki has the optimal solution for you. With Juki equipment in your facility you can feel confident that your lines will always be running.
